

HPE competitive news summary – June 28, 2019

Cisco

Dell EMC

IBM

Lenovo,
Huawei

Pure,NetApp,
Nutanix

Other

Seismic

Prev. editions

Important note: Thank you for your readership of the HPE Competitive Weekly. HPE is streamlining communications to ensure your news is curated and prioritized. As part of this effort, the HPE Competitive Weekly is migrating to the Seismic NewsCenter on the “Competitive Intelligence” Channel as the primary delivery mechanism. The final broad e-mail distribution will be the July 28, 2019 edition.

Visit hpe.seismic.com to read the HPE Competitive News Summary in the Seismic NewsCenter Competitive Intelligence Channel.
